Dear Deputy Hourigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The full refurbishment works on the property known as Glenwood House, Carrigaline were funded by Mental Health Services.

Cost estimates were issued to the service by Capital & Estates in late February 2021 seeking approval to proceed with the works, and this approval was granted by Mental Health Services.

Yours sincerely,

Paul de Freine
National Director,
Capital & Estates
