***PQ 23012/23- To ask the Minister for Health the additional revenue cost of staffing and servicing the additional acute inpatient beds added to the health service in each of the years 2019 to 2022 - David Cullinane***

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

I am advised by the HSE National Finance Division that we do not have figures for the revenue costs of the acute beds that opened from 2019 - 2022 but we have the funding allocated for these beds.

Below is the recurring funding allocated to hospitals for acute beds that opened between 2019 – 2022.

	2019	2020	2021	2022
	€ Million	€ Million	€ Million	€ Million
Recurring Funding Issued for Acute Beds	-	-	€133.1	€21.63

I trust this is of assistance to you.

Yours sincerely,

**Nessa Lynch**  
General Manager  
Acute Operations
