Re: PQ 24289/23 “To ask the Minister for Health the dentists in Clare registered to provide services under the Dental Treatment Services Scheme, in tabular form; and if he will make a statement on the matter.”

Dear Deputy Wynne,

The Health Service Executive has been requested to reply directly to you in regard to your Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

I am attaching the most recent list of dental practitioners who are contracted with the HSE to provide dental services to GMS patients (medical card holders over the age of 16) under the Dental Treatment Services Scheme (DTSS) in HSE Mid West (CHO3) area. The DTSS dentists located in Co. Clare are included in the attached.

Please note that the attached listing is provided by the DTSS office and the Principal Dental Surgeon (PDS) has advised that a DTSS dental practitioner must notify the DTSS office in writing of their intention to leave the scheme or the CHO area in order that their details can be removed from the listing. Therefore, some of those included in the attached may have left the scheme or the CHO area.

The Principal Dental Surgeon (PDS) has also advised that it is the responsibility of the GMS patient to locate a DTSS dental practitioner who is in a position to take them on as a patient. This may involve travelling outside their local area, county or CHO area to avail of dental treatment under the scheme.

I trust the above addresses the issues raised in your representation.

Yours sincerely,

Carmel McLaughlin
General Manager
Primary Care

HSE DENTAL TREATMENT SERVICES SCHEME MID WEST/NORTH TIPPERARY AREA

PRIVATE DENTISTS PROVIDING ROUTINE/DENTURE TREATMENT TO ADULT MEDICAL CARD HOLDERS.

This Scheme provides access to certain dental treatments to eligible persons, aged 16 years and over with medical card entitlement under the Health Acts. Treatment can be accessed by arranging an appointment with a dental practitioner in private practice under contract arrangements with the HSE, from the list below. Patients must present their current medical card at the dental surgery when attending for dental treatment. While this is a list of dentists in the Mid-West/North Tipperary area, patients may attend any private dentist contracted with the HSE elsewhere in the country. Lists of these dentists are available from local HSE centres. *Practices marked (W) denotes wheelchair accessible practices.
