Dáil Eireann,
Dublin 2.

PQ ref 24917/23

“To ask the Minister for Health if he will clarify the reason that the current governance model used in other CHO areas cannot be used in CHO7- Clinical governance of neuro rehabilitation teams.”

Deputy John Lahart

Dear Deputy Lahart,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm discussions are still ongoing in relation to the development of Community Neuro Rehabilitation team within CH07. Clinical Governance for this team is being discussed and the location and staffing levels is currently being explored. We are hopeful that this team will be operational in 2023.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Gillian Farrelly
