**“To ask the Minister for Health the number of cardiothoracic surgeries performed at the Mater Hospital in the years of 2021, 2022 and to date in 2023, in tabular form.”**

Dear Deputy Murphy,

I refer to the Representation seeking an update on the number of cardiothoracic surgeries in the Mater Misericordiae University Hospital, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised of the following.

This includes CTS onsite cases only not outsourced cases and does not include our centre's CTS transplant data.

Cardiothoracic Surgery MMUH			
	2021	2022	2023 (Jan-Apr)
Cardiac surgery	259	396	150
Thoracic surgery	201	238	97

I trust this information is of assistance to you.
