

6th June 2023

Deputy Thomas Gould, TD
Dáil Eireann
Kildare Street
Dublin 2.

PQ: 25268/23:

To ask the Minister for Health the average cost of assessment and the percentage of people who paid a fee, by addiction rehabilitation, detox and stabilisation facilities, in tabular form.

Dear Deputy Gould

The Health Service Executive has been requested to reply directly to your above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

Of the Tier 4 residential services provided by the HSE or in receipt of funding through the HSE, where an assessment fee is charged, this is mostly done on a sliding scale depending on a person's ability to pay. The attached table outlines the cost of an assessment and the services' estimated percentage of people that pay the full amount.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,

Prof Eamon Keenan
National Clinical Lead - Addiction Services
