The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The table below outlines the number of clients who received a doctor consultation from the Dublin North City and County DDoc GP Out Of Hours Service in 2022 and to date in 2023. A doctor consultation includes attendance at one of the DDoc treatment centres, a home visit, and/or a doctor triage telephone call.
