Re: PQ 26297/23 - "To ask the Minister for Health further to Parliamentary Question No. 1910 of 19th January 2022, the current number of applicants waiting for a Primary Medical Certificate in Co. Clare; the current application processing time for a Primary Medical Certificate; and if he will make a statement on the matter."

Dear Deputy McNamara,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can advise that there are currently 30 applicants waiting to have their medical assessment carried out in respect of their application for a Primary Medical Certificate in Co. Clare.

I can also advise that the waiting time for the medical assessment is approximately eight weeks from the receipt of an application form.

I trust this information addresses the issues raised in your representation.

Yours sincerely,

PP.
