RE: PQ 48457/23

"To ask the Minister for Health when construction will recommence on Ballyhaunis primary care centre; and if he will make a statement on the matter"

Dear Deputy Dillon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

With regard to the development of a Primary Care Centre in Ballyhaunis the HSE remains in dialogue with the developer to determine a way forward for the project and an updated programme for recommencement and completion is to be agreed.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Mary Warde
