Re: PQ ref 50612/23 "To ask the Minister for Health the early intervention psychosis services that are currently available in CHO3"

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

There are no Early Intervention Psychosis Services currently available within CHO3. If anybody is suffering from a psychosis, they are treated under the Community Mental Health Team following a referral from their General Practitioner.

I trust this answers your queries, please feel free to contact me if you require further information

Yours sincerely,
