RE: PQ 50620/23 – WTE Nurses St Joseph's – Beaumont Hospital

Dear Mr Smith,

Reference your recent Parliamentary question with regards to the number of WTE nurses working in St. Joseph's Hospital, Raheny, Dublin 5 in 2021, 2022 and to-date in 2023, in tabular form.

Details as follows:

Year	WTE
2023	61.17
2022	64.63
2021	58.58

Please note that a continuous pipeline of nursing appointments is in situ to ensure that staffing requirements are aligned to monthly turnover trends.

Yours Sincerely,

David Sweeney
Interim Chief Executive Officer
