**PQ 50998/23* To ask the Minister for Health if he will provide an update on total projected costs for the renovation/extension of Carraig Mór intensive care psychiatric facility in Shanakiel, Cork; and if he will make a statement on the matter.
-Neasa Hourigan**

Dear Deputy Hourigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. Due to the recent industrial action by management and administration grade staff in Forsa union in the HSE, there were delays in the processing and answering of Parliamentary Questions. We apologise for any inconvenience this may have caused.

The renovation/extension of Carraig Mor intensive care psychiatric facility in Shanakiel, Cork includes a new centralised entrance extension to provide full segregation of male and female residents as well as direct access to the seclusion suite. The entrance extension includes a new security office, new blue light access route, new passenger lift, new family room, new tribunal room, new staff room, new MDT room , new physical assessment room and new interview room, all of which are important to ensuring a safe and effective provision of service to all residents.

The total project costs for the full reconfiguration and new build extension of the Carraig Mór facility is €14m. This figure includes for the site works, statutory costs, design team fees, surveying costs, asbestos removal, equipping, VAT etc.

Yours sincerely,
