Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The CHO areas which are funded for a service are:

1. Operational Services  
CHO1: Sligo/Leitrim, Donegal  
CHO3: Limerick, Clare, North Tipperary  
CHO4: Cork City, North and East Cork  
CHO4: Kerry/West Cork  
CHO6: Dublin South East/ Wicklow (North and South)
2. Partially operational Nov. 2023  
CHO7: Dublin South West
3. Staff being recruited  
CHO8/7: Midlands/Kildare/West Wicklow

Funding was sought from the Department of Health (DOH) for the remaining areas in Budget 2023 and 2024 but this was not allocated.

Additional posts for the current Services which are very busy with long waiting times was also sought but not granted.

I trust this information is of assistance to you. Please do not hesitate to contact me if you have any further queries.

Yours sincerely,

Dr Amir Niazi
