Deputy Kehoe
Dáil Eireann,
Dublin 2.

PQ ref 51804/23

To ask the Minister for Health his plans to expand Dunlavin health centre. The current centre is in need of expansion due to huge demand. They also urgently need a disabled toilet as they currently do not have one. Access for wheelchair users is an ongoing issues. Staff have met with the HSE regarding these issues but are awaiting an update.

Dear Deputy Kehoe,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that there are currently no plans to expand Dunlavin Health Centre. Funding has been allocated under the minor capital programme 2024 to provide wheelchair accessibility access to the Health Centre. The start date for these works is being progressed with HSE Estates and the services using the building.

I trust this information is of assistance to you but if you have any queries or require any further information, please do not hesitate to contact me.

Yours sincerely,

Brian Kearney
