Deputy Paul Kehoe
Dáil Eireann,
Dublin 2.

PQ ref 51808/23

To ask the Minister for Health his plans for Donard Medical centre as there is an urgent need of upgrade works. The centre closed during covid but the Doctors in Dunlavin health centre are ready to carry out clinics in Donard. The small rural Community of Donard need access to their local Doctor on a weekly basis.

Dear Deputy Kehoe,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that Donard Health Centre currently requires significant refurbishment in order to meet Health & Safety Requirements. The Health Service Executive has assessed the building and identified works which are due for consideration under the HSE Minor Capital Programme.

I trust this information is of assistance to you but if you have any queries or require any further information, please do not hesitate to contact me.

Yours sincerely,

Brian Kearney
