To ask the Minister for Health the number of WTE senior psychologists in neonatology at Limerick Maternity Hospital in the years of 2021, 2022 and to date in 2023, in tabular form. -Duncan Smith

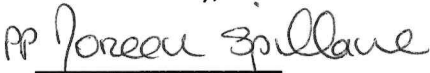

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

I have been in contact with the relevant staff and I have been informed that between 2021-2023 there has been 0.50 WTE Senior Psychologists in place with a focus on neonatology at Univesity Maternity Hospital Limerick.

I trust this clarifies the position, please contact me if you have any further queries.

Yours sincerely,

Professor Colette Cowan
