**RE: PQ 43156/23**

**To ask the Minister for Health the budget available to an individual (details supplied) in the HSE; and if he will make a statement on the matter.**

Dear Deputy Wynne,

The Health Service Executive has been requested to reply directly to you in relation to the above parliamentary question, which you submitted to the Minister for Health for response. I have consulted with the National Clinical Programme (NCP) for Diabetes on your question and have been informed that the following outlines the position.

The NCP for Diabetes was established in 2010 as a collaborative between HSE and the Royal College of Physicians, Ireland (RCPI). The primary aims of the programme are to provide clinical leadership to improve the quality and access to diabetes services, while also improving the efficient use of resources.

The National Clinical Lead for NCP Diabetes does not hold a budget.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact me.

Yours sincerely

---
