Re: **PQ 44241/23 –
PICC Line Services - Oncology**

Dear Deputy Murphy,

I refer to recent PQ with regard to the introduction of PICC Line services at Wexford General Hospital.

I wish to advise that we are actively planning to set up a PICC line service at WGH. Equipment is being purchased and staff are being identified for training and governance purposes.

I trust that the above information is helpful to you.

Yours sincerely,

**LINDA O'LEARY,
HOSPITAL MANAGER.**

Dear Colleagues,

Please find a new PQ for your attention below. I would be most grateful if you could issue a response to me no later than the 13th October.

To ask the Minister for Health the provisions that are being made to introduce peripherally inserted central catheter line clean services as part of oncology services at Wexford General Hospital; and if he will make a statement on the matter. -Verona Murphy

Thanking you in advance.

Kind regards,
Gearóid
