RE: 45043/23

Dear Deputy MacLochlainn,

The Health Service Executive has been requested to reply directly to you in the context of the above Public Representation. I have examined the matter and the following outlines the position.

Response:

Please see below the number of primary total hip and primary total knee replacement surgeries performed at SUH between 2018 and 2022

Year	Hip replacements	Knee replacements
2018	112	63
2019	111	66
2020	130	47
2021	104	23
2022	121	27

I trust that this addresses your query.

Yours sincerely,

Grainne McCann
Hospital Manager

Mission Statement

*Sligo University Hospital is committed to the delivery of a high quality, patient centred service in a safe, equitable and efficient manner. .
We recognise and value the contribution of each staff member and endeavour to support them in their ongoing development.*
