1<sup>st</sup> November 2023

Deputy Mark Ward TD,  
Dáil Éireann,  
Leinster House,  
Kildare Street,  
Dublin 2.

**Re PQ 45235 23:** *To ask the Minister for Health to report on the amount of money allocated to section 38 and section 39 mental health organisations in the years 2018, 2019, 2020, 2021, 2022 and 2023, respectively; including a breakdown of the names of each of these organisations and how much is allocated to each organisation; and if he will make a statement on the matter.*

Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Your PQ above has been referred to me for response.

I regret to inform you that the HSE finance systems do not facilitate the separate extraction of funding allocations for section 38 and section 39 Mental Health organisations.

Separately, a one off extensive manual exercise was completed in early 2023. The output of this work identifies the 2022 Mental Health funding figures broken down by section 38 & section 39 organisations. This information is provided below in Appendix 1 Table 1 to this letter.

I regret to inform you that it is not possible to provide the same information for the other years you requested. The current shortcomings in our legacy financial systems are well acknowledged and their replacement by a single standard financial system for the Health Sector is at the core of the Finance Reform programme initiated by the Department of Health.

For your information, each year the HSE Annual Report and Financial Statements (AFS) Appendix 1, details HSE Revenue Grants to section 38 & section 39 agencies. All agencies in receipt of grants greater than €100k are listed by name. This information is available from the HSE website at the following link <https://www.hse.ie/eng/services/publications/corporate/annualrpts.html>, with all HSE Annual Reports and Financial Statements listed from 2005 to 2022. The data in Appendix 1 of the AFS is collated centrally on an annual basis and subject to audit for the purposes of the HSE Annual Financial Statements (AFS) process. Due to the limitations in the HSE financial systems and the lack of a single standard financial system for the Health Sector this data is not captured on a real time basis and must be collated as part of an extensive and resource intensive annual exercise. The 2023 grant information will therefore be available on completion of the 2023 Annual Financial Statements.

If you have any queries, please do not hesitate to contact me at [sarah.anderson1@hse.ie](mailto:sarah.anderson1@hse.ie) or tel: 087 9423319.

Yours sincerely

*Sarah Anderson*
