PQ 45712/23* To ask the Minister for Health can he give a full update on the completion of the day care centre in Monasterevin; and a timeline on a projected opening date for same. -Patricia Ryan

Dear Deputy Ryan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. Due to the recent industrial action by management and administrative grade staff in Forsa union in the HSE, there were delays in the processing and answering of Parliamentary Questions. We apologise for any inconvenience this may have caused.

Construction Works commenced on Monasterevin Day Care Centre in October 2022. The construction programme has experienced some delay primarily related to conservation, and structural issues arising in respect of the original building, the former Monasterevin Medical Hall, Drogheda Street.

The project completion date for construction work is late Q2 2024 with commissioning to follow before bringing this new centre into use.

The services to be provided in Monasterevin Day Care Centre will include day care services for older persons and primary care services of public health nursing, domiciliary care, occupational therapy and physiotherapy.

Yours sincerely
