Re: To ask the Minister for Health the number of WTE Consultant in Emergency Medicine Posts at Mercy University Hospital in the years of 2022 and to date in 2023, in tabular form

Dear Deputy Smith,

I refer to your recent PQ in respect of the above and please see the table below

	2022	2023
EM Consultants directly employed by MUH	0 WTE	2 WTE

Please note that the information above refers to EM Consultants where MUH is the primary contract holder however, EM Consultants employed by Cork University Hospital provide sessions to the MUH Emergency Department. In addition, MUH has approval to recruit a further 3 WTE EM Consultant posts and the recruitment process is underway.

I trust this answers your query and please do not hesitate to contact the Office of the CEO should you have any further queries.

Yours sincerely,

p.p. Majella O'Connor
