**Re; PQ37706/23** To ask the Minister for Health further to Parliamentary Question No. 265 of 12 July 2023, if he will advise if consideration has been given to extending the 30-minute visitation timeframe; if this could be considered on a case by case basis where appropriate; and if he will make a statement on the matter. - Claire Kerrane

Dear Deputy Kerrane,

The strict time limits in place for visits have been relaxed and are not applied in general at this point in Roscommon University Hospital, unless there are serious infection prevention and control risks which necessitates the short term reintroduction of limits for specific wards or patient rooms within wards.

Yours sincerely,

Ursula Morgan
