**PQ 37962/23** To ask the Minister for Health the terms of the recent pay agreement for catering and general support staff between the HSE and SIPTU; the reason certain workers received significant lump sums and others did not; and if he will make a statement on the matter. -David Cullinane

Dear Deputy,

I refer to your recent Parliamentary Question which was sent to the HSE for response.

The HSE are working to implement HSE HR Circular 03/2023 which gave effect to the findings of the final phase of the Support Staff Job Evaluation process. The implementation process requires considerable input at local level and therefore areas are progressing the matter as soon as possible across the relevant services.

I trust this clarifies and is of some assistance.

Yours sincerely,
