**RE: PQ 38221/23**

**“To ask the Minister for Health if he will provide a detailed update on the construction of the Ballyhaunis primary care centre; when works will re-commence and the expected completion time; and if he will make a statement on the matter”**

Dear Deputy Dillon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The developer continues to liaise with contractors to agree completion works due to increased construction costs. The HSE is working with the developer within the bounds of the competitive tender process and lease agreement to facilitate this and agree a programme of works to completion. On recommencement it is anticipated there will be an eight month programme to completion of construction.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

---

**Mary Warde**  
Head of Primary Care Services  
Galway, Mayo & Roscommon
