Leinster House  
Dublin 2

**PQ 38482 / 23 - To ask the Minister for Health the hospitals located outside Dublin that currently have eye clinic liaison officer position in ophthalmology clinics, in tabular form. - Alan Kelly**

Dear Deputy Kelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I am advised that the HSE does not have a specific grade of Eye Clinic Liaison Officer. I have attached a breakdown of the WTE of active ophthalmology grades along with their hospital location.

I trust the above is of assistance.

Yours sincerely,

---

John Smith  
Assistant National Director  
Acute Operations
