**Re: Parliamentary Question 38595/23** *“To ask the Minister for Health the amount of revenue generated through parking charges at Cavan General Hospital in 2022 and to date in 2023, in tabular form of the money generated; and how it was spent.”*

Dear Deputy Tully,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Please see Cavan General Hospital car park revenue as follows:

<b>2022</b>	<b>(Jan-July) 2023</b>
<b>€'000</b>	<b>€'000</b>
98.57	67.07

Car park income is used to support the operation and day to day running costs of the Hospitals for the provision of services for patients.

We trust this information is of assistance to you.

Yours sincerely,

---
