Re: PQ 38657/23

To ask the Minister for Health when shift leaders will be appointed to a facility (details supplied), in line with the HSE national clinic programme for adult critical care; and if he will make a statement on the matter. -Michael Ring

Dear Deputy Ring,

I refer to the above representation.

We currently do not have funding approved to recruit.

There is an identified nurse in charge in ICU on every shift 24/7.

Saolta Hospital Group are currently reviewing options and potential to implement shift leads at Mayo University Hospital.

Thanks for your query, I hope this clarifies the matter.

Kind Regards,

Catherine Donohoe
Hospital Manager
