ICU at Mayo University Hospital

Dear Deputy Dillon,

I refer to the above representation.

We currently do not have approval to recruit shift leads in ICU at Mayo University Hospital.

There is an identified nurse in charge in ICU on every shift 24/7.

In regard to CNM nursing staff in ICU – Please see below:

CNM 1	CNM 2
1 WTE	1 WTE

Saolta Hospital Group are currently reviewing options and potential to implement shift leads at Mayo University Hospital.

Thanks for your query, I hope this clarifies the matter.

Yours sincerely,

Catherine Donohoe
Hospital Manager
