Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted for response. I have examined the matter and the following outlines the position.

Further to my update provided on 16th June 2023, HSE Community Healthcare Organisation Dublin North City and County are working with HSE Estates to prioritise the provision of the adult, child and adolescent mental health service and eating disorder teams in Northwood Business Park.

HSE Estates advise that the premises will be operational by Quarter One, 2024.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact my office.

Yours sincerely,

Donal Cassidy
