To ask the Minister for Children; Equality; Disability; Integration and Youth the persons with a disability in County Wexford approved for a residential placement awaiting an allocation; and if he will make a statement on the matter.

Dear Deputy Murphy,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

I have reviewed the matter and the following is the current position.

Currently there are two people with a disability in County Wexford approved for a residential placement awaiting an allocation. There is one 17 year old who has approved funding and a place available but is waiting until his 18th birthday next month to go to an adult residential placement.

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Karen Fitzgerald
