To ask the Minister for Health the number of staff now employed at Mallow General Hospital, those for the original sections and those hired for the new section recently built; and the number of vacancies and staff grades remaining, in tabular form

Dear Deputy Sherlock

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Stat Hospital	Staff Category	Census WTE Sep 2023
MGH	Medical/ Dental	26.67
	Nursing/ Midwifery	116.94
	Health & Social Care	24.16
	Management/ Admin	45.02
	General Support	24.36
	Patient & Client Care	40.43
	Result	277.58

Above is the most recent census , total WTE listed for September 2023 is 277.58

There are 115 posts approved for the service expansion / bed expansion and 77 of these have been recruited or are at varying stages of the recruitment process, equating to 67%

Due to annual leave I am currently unable to provide the vacancies for nursing but there are currently 3 x administration and 2 x HSCP posts vacant.

There are further posts "vacant" due to non-replaced maternity leave. These are temporarily vacant.

I trust this information is of assistance to you but should you have any other queries please do not hesitate to contact me.

Yours sincerely,

Mr. David Donegan
Chief Executive Officer
