**PQ 39614/23\*** To ask the Minister for Health to outline the location of the site on Lusk Main Street referred to in the 2023 Health Capital Plan in 'Appendix 2 - Mental Health' that refers to the "Construction of a 30-bed purpose-built Psychiatry of Later Life facility on Main Street, Lusk including purchase of the site"; and if the site has been acquired by the HSE to date. - Duncan Smith

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The HSE have completed the acquisition of a 1.5 acre greenfield site located at Main Street Lusk which is located between the rear of the existing HSE Health Centre and the existing Lusk Town Centre Shopping Centre (Supervalu). This site will be used for future healthcare expansion in this area.

Yours sincerely,

---
