**PQ 40123/23: To ask the Minister for Health the number of full-time multiple sclerosis nurse specialist employed by the HSE in the years of 2021, 2022 and to date in 2023; and the locations in which these MS nurses are located, in tabular form.**

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The HSE do not employ a category of Nurse entitled Multiple Sclerosis Nurse Specialist. The HSE do employ Clinical Nurse Specialists, however the information relating to the number based in Multiple Sclerosis is not available centrally as we do not unfortunately possess information at this level of detail.

Yours sincerely,

---

John Smith  
Assistant National Director
