Re: 40599/23

Dear Deputy Troy

I refer to the recent representation made in relation to the approval to recruit the necessary staff for the new MRI Scanner, at Regional Hospital Mullingar.

Regional Hospital Mullingar can advise that they have been liaising on a frequent basis with both IEHG and the HSE Acute Operations in relation to approval for staffing of the MRI Scanner at RHM.

As recent as the 5th September 2023, RHM had a call with HSE Acute Operations and revised their MRI Staffing Submission from 15.2 WTEs to a total of 12.2 WTEs.

RHM can confirm that a CNS Radiographer post was approved on 5th May 2023 and the CNS Radiographer has been in post at RHM since early August 2023.

I trust this information is helpful to you.

Yours sincerely

Kay Slevin
Hospital Manager,
Regional Hospital Mullingar.
