**PQ 40607/23 - To ask the Minister for Health whether the full investigation report into the handling of Covid-19 at a facility (details supplied) in the Phoenix Park, Dublin, in 2020, will be published; whether he has discussed this report with the HSE CEO; and if he will make a statement on the matter.**

Dear Deputy Hourigan,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Full reports of protected disclosure investigations are not generally published; it is HSE practice to publish comprehensive executive summaries to balance our obligations to all parties. As all findings are contained in the comprehensive executive summary, both the HSE and other nursing homes can fully benefit from the insight provided as a result.

I trust this information is of assistance to you.

Yours sincerely,

---
