Dear Deputy Fitzmaurice

I refer to PQ ref 40815/23 uploaded on the PAD System on the 18th September, 2023 and due for a response on the 3rd October regarding representation you have made to the Minister for Health concerning when the works will commence on the upgrading of the facilities at the Sacred Heart Hospital in Roscommon. The HSE have been requested to reply directly to you on this matter. The following outlines the current position.

Please be advised that stage two of the tender process for the fifty bedded replacement unit at Sacred Heart Hospital in Roscommon will close in mid-October 2023. Pending receipt of acceptable tender submissions and following a full technical and cost assessment and HSE approval it is anticipated that the project will commence in Quarter 1, 2024.
