PQ 41635/23 - To ask the Minister for Health the number of operating theatres open in each of the Dublin hospitals respectively, by day, for the past 60 days, in tabular form

PQ 41637/23 - To ask the Minister for Health the number of operating theatre closures in each of the Dublin hospitals respectively by week since 1 August 2023 to date, in tabular form, by reason for closure.

Dear Deputy O'Reilly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary questions, which you submitted to the Minister for Health for response.

I have consulted with the HSE's Business and Information Unit and wish to advise that although some of the information you have requested is collected by that unit, it is neither validated or quality assured at present and therefore I am unable to release it at this time.

I am also unable at this time to advise as to when it will be made available, however you are welcome to resubmit your question any time in the future and I will advise accordingly.

I trust this is of assistance to you.

Yours sincerely,

**Nessa Lynch
