PQ 13594/24* To ask the Minister for Health if he can get the heating system repaired in the primary care and mental health centre in Carrick-on-Shannon (details supplied: and it has never worked properly since the building opened three years ago and it is now causing health clinics to be cancelled because of the cold in the building); and if he will make a statement on the matter. -Martin Kenny

Dear Deputy Kenny,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Carrick-on-Shannon Primary Care Centre was delivered by the HSE Primary Care Centre Operational Lease Model.

The maintenance and upkeep of the heating system in the Primary Care Centre is the responsibility of the landlord.

We understand the heating system in Carrick-on-Shannon Primary Care Centre has been repaired following the sourcing of correct parts and is fully operational.

Yours sincerely

Brian O'Connell
Interim National Director
Capital & Estates
