**Re Ref: PQ 14042/24**

**To ask the Minister for Health if the HSE Dublin south primary care teams provide occupational therapy report services for housing assessment needs; the avenues for a local authority tenant to access HSE primary care teams OT services; and if he will make a statement on the matter.**

Dear Deputy Boyd Barrett,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health and Children for response. I have examined the matter and the following outlines the position.

The Community Occupational Therapist (OT) Department do not provide reports with regard to the Dun Laoghaire Rathdown County Council (DLRCC) housing grant process.

With regard to a general referral to Primary Care OT for assessment by an OT of the clients level of function within the home environment, the client can self-refer via telephone, Monday-Friday 9am – 10am at 01 2366200.
