26th April 2024

PQ 14774/24*To ask the Minister for Health the status of the plan to provide a new ambulance base at Kelvin Grove, Carlow, if plans have been submitted to Carlow County Council; if the project includes a training centre; and the indicative timeframe for delivery of the project. -John McGuinness

Dear Deputy McGuinness,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Capital & Estates in conjunction with the National Ambulance Service prepared and issued a full capital submission for a new Ambulance Base including the refurbishment of existing Kelvin Grove House (1150sqm new build + 571sqm renovation) to the HSE National Capital & Property Steering Group for consideration in Q4 2023 and the project included in the 2024 Capital Plan with funding to commence preliminary design work. The programme for this ambulance base will emerge as the project progresses through the design process.

Yours sincerely

Brian O'Connell
Interim National Director
Capital & Estates
