2nd May 2024

Deputy Pádraig MacLochlainn
Dáil Éireann
Leinster House
Kildare Street
Dublin 2

PQ ref 14921/24

“To ask the Minister for Health how many people living with type 2 diabetes have been treated in the HSE ECC specialist ambulatory care hub in Letterkenny to date; the number of appointments provided in 2023 and 2024; and if he will make a statement on the matter.”

Dear Deputy MacLochlainn

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I have examined the matter and the following outlines the position for Community Healthcare Cavan Donegal Leitrim Monaghan Sligo.

□

	2024 YTD	2023
# of appointments issued in 2023 and 2024	2,455 (Jan/Feb/Mar)	10,949
# of people treated with type 2 diabetes in the Chronic Disease Management (CDM) hub	1,978 (Jan/Feb/Mar)	8,994

Kindly note, people with type 2 diabetes receive a number of appointments for different disciplines e.g. podiatry, dietetics etc. Hence, the number of appointments are significantly larger than the number of people treated during the same period of time.

I trust that this is of assistance, but please do not hesitate to contact me if you require anything further.

Yours sincerely

Mandy Doyle
