PQ ref 15138/24

"To ask the Minister for Health to provide an update on whether a primary care centre planned for the Douglas area in Cork"

Dear Deputy O'Laoghaire,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

HSE have assessed Stage 3 proposals received from developers for the provision of a Primary Care Centre in Douglas and a preferred proposal was identified. The successful Developer has advanced proposals for Douglas Primary Care Centre to Pre-Planning stage. We expect delivery of the Centre in the next 18 to 24 months depending on statutory approvals.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

Priscilla Lynch
Head of Service - Primary Care,
Cork Kerry Community Healthcare
