Dáil Éireann
Leinster House
Dublin 2

11th April 2024

PQ 15856/24 – To ask the Minister for Health the breakdown of diagnostic waiting lists by HSE health region, in tabular form. -David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

The HSE does not hold information centrally relating to diagnostic waiting lists separated by HSE Region.

The NTPF collects and publishes information in relation to outpatient and inpatient/day case and GI Scope waiting lists and publishes it on a monthly basis. This information is accessible at: <https://www.ntpf.ie/home/nwld.htm>. Currently the NTPF are progressing a body of work whereby all Radiology Diagnostic waiting list information will be made available in a similar manner as the project progresses.

I trust that this addresses your query,

Yours sincerely,
