Dear Deputy Healy Rae,

The Health Service Executive (HSE) – South (Cork & Kerry) has been requested to reply directly to you in the context of the following Parliamentary Question, which was submitted to this office for response.

Question:

To ask the Minister for Health if there are plans in place to have a specialist nurse in Kerry for the many people who have Parkinson's disease and at the very least need to have access to a nurse in their own county; and if he will make a statement on the matter. -Danny Healy-Rae.

There are no plans currently for a CNS for Parkinson's Disease in UHK.

I trust this response is to your satisfaction; should you have any further queries however, please do not hesitate to contact me
