Dear Deputy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The Saolta University Healthcare Group are currently undertaking a review of Neurology Services across the Saolta Group. At present the Neurology Services are delivered on a regional basis from Sligo University Hospital with visiting consultants undertaking clinical services at LUH two days per week.

When completed, the Saolta review of Neurology Services will inform any submission for further development of services for Neurology across the North West and Western Region.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours Sincerely,

Seán Murphy
General Manager
