**Re: PQ 5638-24 – Number of full-time contracts offered to student midwives for 2022 and 2023 at The Coombe Hospital.**

Dear Deputy

Thank you for your most recent correspondence in relation to the above request.

In 2022, 33 students were offered contracts of which 20 accepted. The balance wished to undertake travel.  
In 2023, 19 students were offered contracts and 18 accepted.

I trust this is of assistance to you.

Yours sincerely
