Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the following parliamentary question, which was submitted to this department for response.

PQ: 7322/24

To ask the Minister for Health the date on which the recruitment of the neurorehabilitation teams in CHO2, 4, 6 and 7 will commence.

HSE Response

The Programme for Government – 'Our Shared Future' - includes a commitment for advancing neuro-rehabilitation services in the community. The Health Service Executive is leading on the implementation framework in respect of the recommendations of the National Policy and Strategy for the provision of Neuro-Rehabilitation Services in Ireland 2011-2015.

The Neuro-Rehabilitation Strategy Implementation Framework (IF) was launched in February 2019. The overarching aim of the Strategy is the development of neuro-rehabilitation services to improve patient outcomes by providing safe, high quality, person-centred neuro-rehabilitation at the lowest appropriate level of complexity. This must be integrated across the care pathway and provided as close to home as possible or in specialist centres where necessary. These services are to be configured into population based Managed Clinical Rehabilitation Networks (MCRNs). Each MCRN includes the development of a Community Neuro-Rehabilitation Team (CNRT). The overarching aim is the development of population based MCRN's around the country.

Local Implementation Groups (LIG) have been established in all four CHOs and recruitment is planned for Q2 2024.

Yours Sincerely,

Bernard O'Regan
