Dear Deputy O' Cathasaigh

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can advise that unfortunately an exact level of data breakdown is not available at this time. Plans are currently underway to collect and analyse same.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Ben O' Sullivan
