Re: Parliamentary Question 8859/24 *“To ask the Minister for Health when phase one of the development of the major trauma centre at the Mater Hospital will be completed.”*

Dear Deputy Donnelly,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

MMUH MTC Phase 1a is rescheduled to be completed Q3, this has been due to unforeseen supply chain issues.

I trust this information is of assistance to you.

Yours sincerely,

Stephanie Dunne
